# Section 3

- Look for inconsistencies
- Discover unwanted cliché for our world
- Make changes along the way

# Inconsistencies

## Takes out the following:

- Lore worksheet
- Advancement Profile Workbook
- Natural Environment Worksheets
- Bestiary
- Floral Journal
- Military Doctrine worksheets
- Magic System Recipe worksheets

## Tips:

- Pretend you're editing your book
  - Look for contradictions
  - Add detail or vice versa where you want
  - Use the directory to add more resources to your storyteller binder if you feel you need to
  - Think *how could this section affect another?*

# Inconsistencies

## Changes I made:

- Changed terminology from kingdoms to nations
  - Changed the Sylvan nation name to Dosmorin and Sylveld nation name to Leidland
  - Added more to how the world was created, giving my planet a name and saying this planet is the home of the goddess who created the nature spirits
  - Gave the dead king a name and a burial location
  - Added more details about travel and technology
  - Added more to gender and family roles
  - Simplified income distribution
  - Added magical creatures to my Biome worksheets
- 
- 

# Dealing with clichés

- Doing the opposite or a variation
  - Adding more detail and depth
  - Changing the scenery/sensations/reactions/etc.
  - Add purpose. Why is it in your story world?
